

User Story for login

User Stories with Acceptance Criteria [🔗](#)

1. User Login [🔗](#)

- **User Story:**

As a user, I want to log in with my email and password, so that I can securely access my account.

- **Acceptance Criteria:**

- **Given** I am on the login page, **when** I enter a valid email and password, **then** I should be logged in and redirected to my dashboard.
 - **Given** I enter invalid credentials, **when** I click the login button, **then** I should see an error message prompting me "Email or password are incorrect".
 - **Given** email or password fields are left empty, **when** I click the login button, **then** I should see an error message prompting me "Fill required fields".
 - **Given** I am not registered, **when** I click "Registration," **then** I should be redirected to the registration page.
-

2. Forgot Password [🔗](#)

- **User Story:**

As a user, I want to reset my password if I forget it, so that I can regain access to my account.

- **Acceptance Criteria:**

- **Given** I am on the login page, **when** I click "Forgot Password," **then** I should be redirected to a reset password page.
 - **Given** I provide a registered email, **when** I submit the reset form, **then** I should receive an email with a password reset link.
 - **Given** I provide an unregistered email, **when** I submit the reset form, **then** I should see an error message saying, "If email has been registered, we will send you message soon."
 - **Given** I click the reset link in my email, **when** I set a new password and confirm it, **then** my password should be updated, and I should be redirected to the login page.
 - **Given** the reset link is expired or invalid, **when** I try to use it, **then** I should see an error message saying, "Reset link expired. Please request a new one."
-

3. Register Your Email [🔗](#)

- **User Story:**

As a new user, I want to register my email and password, so that I can create an account.

- **Acceptance Criteria:**

- **Given** I am on the registration page, **when** I provide a valid email, password, and confirm the password, **then** I should proceed to the next step of the registration process.
- **Given** I am on the registration page, **when** I enter weak password, **then** I should see an error message prompting me valid parameters I need for password (length, etc).
- **Given** I enter mismatched passwords, **when** I submit the form, **then** I should see an error message prompting me to re-enter matching passwords.
- **Given** any required field is left empty, **when** I click the Register button, **then** I should see an error message prompting me to fill it.

- **Given** I provide an already-registered email, **when** I submit the form, **then** I should see an error message saying, "Email already registered."

4. Personal Information

- **User Story:**

As a new user, I want to provide my personal information, so that I can create a complete profile.

- **Acceptance Criteria:**

- Given I am on the personal information page, when I fill out all required fields (First Name, Last Name, Address, City/State, Country, Phone Number, Language, Describe Yourself), then I should be able to proceed to the next page.
- Given I skip optional fields, when I click "Next," then I should still proceed to the next step without errors.
- Given I upload an invalid profile picture format, when I attempt to proceed, then I should see an error message prompting me to upload a valid format (e.g., .jpg, .png).
- Given any required field is left empty, when I click "Next," then I should see an error message highlighting the missing fields.
- Given I do not check the "Agree to Terms and Conditions" box, when I attempt to continue, then I should see an error message prompting me to accept the terms.

5. Additional Professional Details

- **User Story:**

As a new freelancer user, I want to provide details about my qualifications and experience, so that I can showcase my professional skills to potential clients.

- **Acceptance Criteria:**

- Given I am on the additional details page, when I fill out all required fields (Qualification, Years of Experience, Profile Links, Profile Samples, Profile Categories, Project-based Price Range), then I should be able to complete my registration.
- Given I upload a file larger than ... MB or an unsupported format, when I attempt to proceed, then I should see an error message prompting me to correct the issue.
- Given I leave the "Freelancer Tagline" empty, when I attempt to proceed, then I should see a reminder to add a tagline before submission.
- Given I click "Complete Registration," when all required fields are valid, then my profile should be successfully created, and I should be redirected to my dashboard.

6. Company Details

- **User Story:**

As an Organization Admin, I want to provide details about my company details, so that I can showcase the portfolio and services we made from our company.

- **Acceptance Criteria:**

- Given I am on the company details page, when I fill out all required fields (Company Name, Address, Phone, Email, Description), then I should be able to complete my registration.
- Given I leave the required fields empty, when I attempt to proceed, then I should see an error message highlighting the missing fields.
- Given I click "Complete Registration," when all required fields are valid, then my company profile should be successfully created, and I should be redirected to my dashboard.

7. Managing Organization

- **User Story:**

As an Organization Admin, I want to manage the organization and the users in our organization, so that I would be able to manage the changes in the organization.

- **Acceptance Criteria:**
